National Families Week 2017

*Stronger families, stronger communities*

As part of National Families' Week Tascare will be partnering with The Parkside Foundation and Carers Tasmania to launch the Tascare Coffee and Chat program for families.

Families will be invited to come along to the Tascare office in Derwent Park to chat with the new Executive Officer, Megan Cunningham, Adam Flack from Parkside and Sarah Clark from Carers Tasmania. We will be chatting to families about the new coffee and chat program (monthly catch up) and listening to their thoughts and ideas.

A coffee van from Moto Veechia will be parked outside the office so families can grab a coffee, have a snack and come inside for a chat. The open day will be between 11-2pm on Wednesday 17th May.
