

13 December 2021

Hello

**COVID-19**  
CORONAVIRUS

## COVID19 Update from Parkside

Tasmanian borders re-open on 15 December 2021.

We want to make sure you are safe when supported by Parkside.

Parkside have a plan to help deliver safe supports.

Parkside have re-trained staff in infection control practices.

Parkside staff are vaccinated against COVID19.

You need to have your vaccination certificate with you at all times

Your supports might change if you do not have your vaccination certificate.

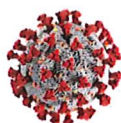

If you chose to send a copy of your certificate to Parkside please do so by sending it to [enquiries@parkside.org.au](mailto:enquiries@parkside.org.au)

Remember to remain home if you have any cold or flu like symptoms and get tested for COVID19.

If you test positive for COVID19 Parkside will help. You also must let us know.

If Parkside know there is a COVID19 case, Parkside or The Department of Health will contact you.

# The Parkside Foundation

It is a good idea to have a COVID Safe Kit on you at all times. Please refer to the attachment.

Keep up to date <https://www.coronavirus.tas.gov.au/>
