We want to ensure the safety and wellbeing of the people we support and equally maintain the safety of our staff, therefore our return to group supports will be slow and cautious as we head towards our new normal.

We will be negotiating with participants about their return to Parkside and will need to stagger individuals return to ensure social distancing requirements and stage restrictions.

Our sites will remain open but numbers will be restricted and we are introducing a booking system to ensure we meet our obligations for social distancing and allocation of supports are fair. Your temperature will be taken at sites and we may refuse services if you present with cold or flu like symptoms. Please stay home if you are unwell

We have implemented strict safe practices for our sites and our vehicles in line with State Government and Safe Work Australia advice. We will continue to follow the advice of Public Health and State Government.
